

**OLEX-TPS NOW WITH**
**ACTIVE-ID™**

## WHAT IS ACTIVE-ID™?

We have introduced ACTIVE-ID™ red dotted lines to OLEX-TPS 1.5mm<sup>2</sup> 2C+E (Black & Red cores + Earth)

## HOW DOES IT HELP?

- Save time - easy identification of the active core
- Eliminates the need for stripping when working with quick connect sockets
- Compatible with all quick connect sockets
